Sermon series: Sabbath as Resistance

Pastor, author, and popular speaker John Mark Comer takes the reader on a journey through scripture examining in a deep, yet accessible way what it means to live and work and rest this side of eternity. Popular pastor and speaker John Mark Comer gives a fresh take on Christian calling and purpose, with a surprisingly counter-culture response. Through his creative and conversational style, he challenges the typical spiritual answer of the church, reshaping how young professionals should view and do their work, rest, and life. Comer probes questions like Does God care where I work? , Does he have a clear direction for me? and What about what I do with my free time or how much rest I get? While many of the books in this category are written to professionals aged forty and up, *Garden City*

is written in language that makes sense and is accessible to younger Christians who are still very much engaging with these questions. This is the Purpose Driven Life for the next generation the book that will help twenty- and thirty-somethings who are figuring out next steps and direction in their lives to understand and embrace what it means to be truly human.

Who are you becoming? That was the question nagging pastor and author John Mark Comer. By outward metrics, everything appeared successful. But inwardly, things weren't pretty. So he turned to a trusted mentor for guidance and heard these words: 'Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life.' It wasn't the response he expected, but it continues to be the answer he needs.

Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness as a root of much evil. Within the pages of this book, you'll find a compelling emotional and spiritual case against hurry and in favour of a slower, simpler way of life.

Discussions about the Sabbath often centre around moralistic laws and arguments over whether a person should be able to play cards or purchase liquor on Sundays. In this volume, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a whole person and restoring a whole society. Importantly, Brueggemann speaks to a 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat more, and drink more. Keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God, other people, all life. Brueggemann offers a transformative vision of the wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance.
