

## **Suggestions for Further Reflection and Action**

### ***Personally***

With whom do you share a companion relationship as a disciple of Jesus? If the answer is 'no one' ask the Spirit to show you who you could develop a companion relationship with.

How might your home be more intentionally a holy habitat? And what about your workshop, day centre, office, staff room or other place of work or meeting?

### ***Locally***

How fully and effectively is your local church or fellowship group a visible sign and prophetic symbol of the radical grace of God?

How effective are your small groups? Do they need to be renewed? Do they need to be formed?

### ***Globally***

There is a risk when relationships are deep that they become exclusive. In your companion conversations be disciplined in including conversations about people/needs/issues beyond yourselves. Talk about and pray for those in the news and the needs and joys of disciples around the world.

Do the same in your small and larger groups and gatherings. When you pray the Lord's Prayer be conscious of the Kingdom petition being a prayer for the Kingdom to come on all of the earth.
